PROFESSIONAL SUMMARY

A recent IT graduate from Arellano University – Jose Abad Santos Campus with a strong interest in software development and programming. Dependable, eager to learn, and driven to build efficient and user focused applications. Seeking a position as a software developer where I can apply my problem-solving and coding skills, contribute to development projects, and continuously grow in a professional environment.

WORK EXPERIENCE

Software Intern

Sognare Systems & Solutions Corp., Legazpi Village, Makati

July 2025 – October 2025

- Designed and modified frontend screens using a Scriptor Designer Tool for Softdial Contact Center solutions customized for Globe agents, focusing on creating interactive scripts that simplify their daily business processes.
- Studied and became familiar with ERP system Odoo.
- Enhanced adaptability, problem-solving, and effective communication through hands-on experience in a real workplace environment.

EDUCATION

Bachelor of Science in Information Technology

Arellano University Jose Abad Santos

2022-2026

Capstone Project

OSCA Management System with Descriptive Analytics – Developer

Advisor: Dr. Leonard Alejandro

- Developed a web-based system to manage senior citizen services for OSCA Pasay Branch. (Office of the Senior Citizens Affairs)
- Implemented features like online registration, online document submission, and appointment scheduling for ID issuance.
- Integrated descriptive analytics to provide insights into service usage and support decision-making
Built using HTML, CSS, JavaScript, PHP, MySQL and basic data visualization tools

SKILLS

- Basic knowledge of HTML5, CSS3, JavaScript, React.js, Node.js, Express.js, MongoDB, and SQL/MySQL for building responsive full-stack web applications.
- Basic understanding of RESTful API development, SDLC, and MVC architecture.
- Familiar with Git, GitHub, MongoDB atlas, and deployment platforms including Vercel, Render, Hostinger, and Cloudflare Registrar.
- Strong analytical thinking, problem-solving, communication, teamwork, attention to detail, and a commitment to continuous learning.
